

SPACE<sup>™</sup>

Space<sup>™</sup> is designed by the German design duo Jehs+Laub. The duo is inspired by the human body and nature's ability to design itself. Their ambition is always to make things that are straightforward and not too labored. The Space series is designed from the idea of the comfortable feeling of sitting in a hand. The lines of the design resemble the paths, the roads and the fields of a landscape. The Space chair comes in white, black or grey with a variety of finishes. The chair is available with a wide range of fabrics and leather front upholstery. The shell is in a lacquered synthetic material. The base is made of lacquered steel matching the colour of the shell.

## DESIGN

Markus Jehs and Jürgen Laub, 2007

## DESCRIPTION

Lounge chair designed by Jehs+Laub, manufactured by Fritz Hansen.

The seat is made of injection-moulded fibre-reinforced lacquered plastic. Comes in 3 colors: black, white and silver. The black shell also comes in a matte soft feel lacquer. The base is silver, black or white lacquered steel with transparent leg ferrules. There is a see through spacer block between seat and base.

## VARIATIONS & DIMENSIONS

The base comes with and without swivel function. Padding in fire-retardant foam is available.

Height 76 cm  
Seat height 39 cm  
Width 85 cm  
Weight 18,5 kg

## UPHOLSTERY

The upholstery is available in the Kvadrat fabrics Fame, Hallingdal, Divina, Divina Melange, Wafer, Tempo and Gloss. The leather includes Soft, Natural, White, Optical white, and Elegance.

Jürgen Laub (b.1964) + Markus Jehs (b.1965) are both industrial designers from the Schwabisch Gmund University in 1992. They established the studio Jehs+Laub in 1994, and over the past couple of years they have designed furniture for Cassina, Renz, Thonet, Acerbis and lamps for Nemo and Belux.

They have also designed the new showroom concept for Mercedes Benz, which is currently being implemented globally.

The Space Series started in Fritz Hansen as concept furniture, i.e. it was introduced as prototypes and the series received so much positive feedback; it is therefore a natural decision to introduce Space™ in 2007.

Jehs+Laub about design:

“We want our products to look as if they had designed themselves. Like in nature. The design is like a human body – every element helps the other and provides stability and flexibility”

## ENVIRONMENT & TESTS

The chair can be completely disassembled into parts to be recycled or incinerated.

The Space chair is tested according to EN 15373, strength, durability and stability, test level 2, general contract use, EN 1728, strength and durability, level 4 according to DS/INF 130, EN 1022: stability: complied with in the case of the non swivelling chair base, EN 1021 (BS 5852: ignition source 0 + 1): fire, cigarettes and matches\*, CAL 117: fire\* and BS 5952: fire, crib\*.

\*Test method depends on local/national standards. Only complied with in the case of certain types of fabric.

## WARRANTY

Standard goods have warranty for five years against manufacturing defects (i.e. materials and design). The warranty does not cover leather and other fabrics ordered as customers own or special material. Normal wear and tear and damage of covers are not covered by the warranty. Fritz Hansen offer up to 20 years limited warranty if the products are registered online at [fritzhenzen.com/my-republic](http://fritzhenzen.com/my-republic). The warranty for wicker, rugs and lamps is 2 years.

# SPACE™ TABLE

## DESIGN

Markus Jehs and Jürgen Laub, 2007

## DESCRIPTION

Lounge table designed by Jehs+Laub, manufactured by Fritz Hansen.

The underside of the tabletop is lacquered glass. Available in black or white lacquer with a polished edge or silver lacquer with a matt-polished edge. The tabletop edge is slightly bevelled. The underside of the tabletop has four discs where the legs are to be attached. The base is silver, black or white lacquered steel with transparent leg buttons.

## VARIATIONS & DIMENSIONS

Black, white or silver-lacquered glass tabletop. Walnut is also available for the JL60 table.

### MODEL JL50
